

## **AHA/BHA Exfoliating Cleanser**

This all-purpose cleanser gently exfoliates your skin with alpha hydroxy and beta hydroxy acids that lighten existing dark spots and enhance your skin's texture.

Improves the visible signs of skin aging with minimal irritation:

- Hyperpigmentation
- Melasma
- Photodamage
- Fine lines
- Wrinkles

Recommended Uses:

AM:

1. Use first thing in the morning to your face and neck as your primary cleanser.

PM:

2. Use first thing prior to bed to your face and neck as your primary cleanser.

*Avoid getting in eyes. If contact occurs, rinse eyes thoroughly with water. If your skin becomes too dry or irritated from exfoliation, decrease frequency of usage.*
